Chief Babkiewicz,

It was a pleasure meeting you today! Thank you for sending over the crime maps - I have sent them over to Tyler, who will work on building out a full city coverage solution for you.

As discussed, I have linked the original 15 camera deployment for your reference below. Some of this may change based on Tyler's professional recommendations, but I wanted to make sure you had a copy of it.

I have also attached a copy of our sole source letter for your procurement director to review. Should this not suffice, please have her look into the NC Sheriff's Association, as we can do a co-op through them - this is what Hilton Head Island did!

Lastly, Tyler anticipates having a map built for you by Friday. When would be a good time for us to meet over a Zoom call to review, and go over the live video integrations with your IT director? I have availability Monday 1/29 in the morning, Tuesday 1/30 in the afternoon, or Wednesday 1/31 after 11am. Should none of those times work for you, let's look at the week of Feb 12th, as I will be on vacation from Feb 1-10th.

Please let me know if you have any additional questions, and I look forward to working with you further on this project!
