Thanks for the introduction, Chief. Anna, are we able to piggyback off of the VA contract as a SC agency?

Thank you Taylor. We are still waiting for budget approval before we can move forward with anything. I am hopeful that it will get approved. I am also including Felicia Roth on this email who is our procurement specialist. Any communications please include her on the email so that we can all stay updated and ensure we do things in accordance with procurement requirements.

Chief Babkiewicz,

Allow me to introduce Anna Martin. Anna oversees the NC and VA Sheriff's Associations contracts with us. As I mentioned in last week's conversation, we were unable to secure a contract with NCSA this year, but are on the Virginia Sheriff's Association contract. She will be able to help you with the co-op portion of the contract with Flock.

Anna - Chief Babkiewicz is planning to purchase Flock in this coming budget year. I wanted to go ahead and connect to two of you so that you can get everything in place.

Thanks,
Taylor Ellison
