Good Morning,

I hope you had a great weekend. I'm reaching out with a small request. We're preparing for our upcoming company event, and we'd love to include appreciation messages from our customers to share with the Flock team.

We're looking for brief, heartfelt contributions, either through a short video (about 30 seconds, recorded on your phone) or a written note. Something simple, such as a thank you for how Flock has supported you, impacted your community, or enhanced your experience. It doesn't need to be elaborate.

These messages will stay internal, shared only with our team, so there's no need to worry about polish or production. If you're willing to participate, I'd greatly appreciate it if you could send your video or written note to me by April 15th. No pressure of course, and thank you for considering it.

As always, if you need anything from me, please don't hesitate to give me a call.

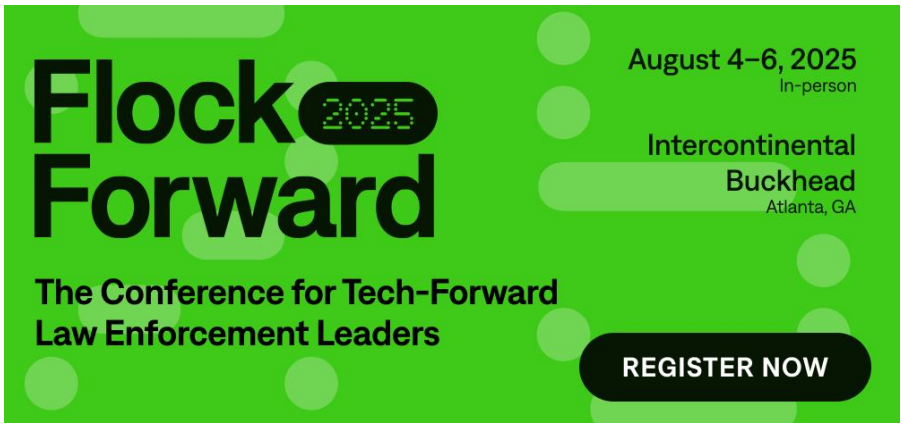

Best,
Georgia
