Good morning Taylor,

I am going to ask Felicia and Tracye (I have copied her on this email) to review this before signing. I am not sure if I need to be the one signing this or someone else from the town. Once she looks it over and is good with it then we will return a signed copy.

Tracye my big questions for you in bridging 128 camera streams is to make sure our current cameras have the requirements listed in this agreement. (able to support RTSP or ONVIF). I do not know the answer to that.

Chief Joe Babkiewicz
